WE HAND CUT OUR FRESH PREMIUM BEEF AND PORK IN EACH STORE! SOME THINGS ARE BEST THE WAY THEY'VE ALWAYS BEEN.

Call us old fashioned, but when it comes to cutting meat, we like to go old school - by carefully cutting and hand trimming our fresh meats. That way, we can assure our customers of the best quality by monitoring every cut that goes into our counter. And there will be just the right amount of fat on each cut, too... enough to ensure tenderness, without extra expensive waste!
